Transportation/Mobility

Document how and what time does your child travel, exact bus route, when child is expected home, cannot travel alone or at night, etc. Where can the child go and what can the child do away from home (malls, parks, movies, sleepovers, friends)? What are the restrictions?

Transportation Rules
Example: John sits in front seat of bus #000 with Mr. Smith. Leaves school at 3:00 pm. If required to stay after school you will get a phone call from Jane Doe with reason why. Bus arrives 3:25. Meet bus, do not let child walk home. Between 4:00 – 5:30 pm John can go the Jerad's house. He must call when he arrives and call when he leaves. If he does not, he is not allowed to go back the next day and cannot make phone calls after dinner.
